We had it all worked out a while back. The Post Office gave us a reasonable set of rates which we were due to publish after testing them.

When we took several copies of the Andaman Post to be sent around the country, they said no they couldn't do the same rates. There's a surprise!!

To we have decided to try a different way.

Subscription details for Thailand, Australia and New Zealand are on page 21.

It looks familiar we know, but where is it. This photo taken in 1989 shows a gravel road and a few ramshackle buildings. For today's comparison turn to page 20 to check it out.

Remember we are always looking for old photos of Phuket to compare. If you have any or know of someone who does please let us know on +66 6 151 1600 or email to info@andamanpost.com or info@thainews.com.au
