

PUZZLING TIMES

Anagrammic Cities

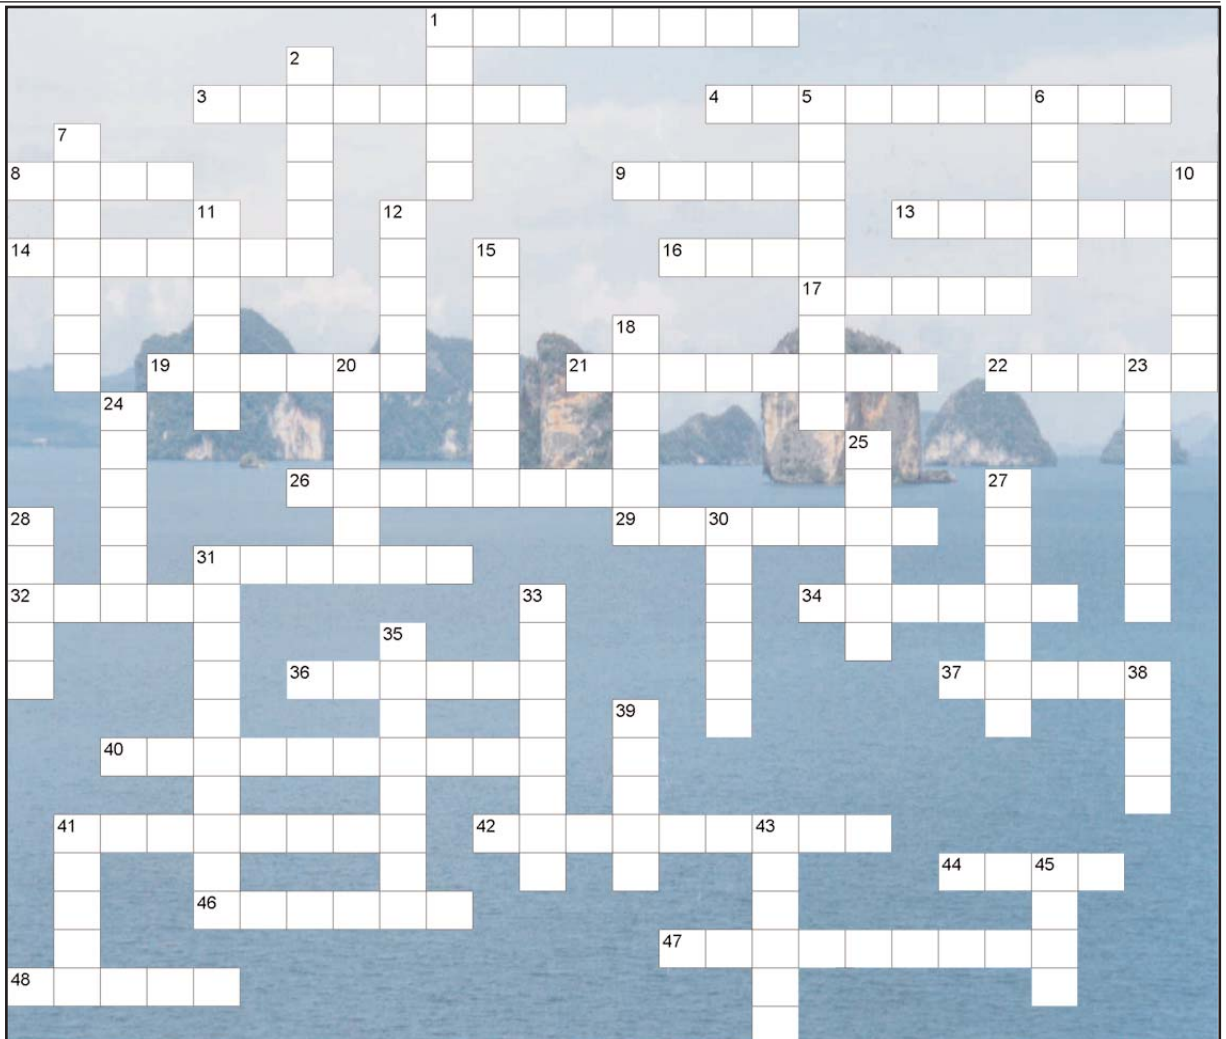

by Andrew Sutton

A little bit different this month. Andrew has returned with this item to test your knowledge of world cities.

The clues supply the ANAGRAMS to unscramble to find the appropriate city. Good Luck.

Pedro is up and about again although a lot thinner than before. He has been putting together another of his cryptics and we'll have that for you next month.

Can't wait until next month - Not to worry. The answers for this puzzle is on Page 22.
