

In the centre of Bangkok amid the hustle and bustle there is a place where you can relax in lush tropical garden surroundings.

The Busstop Beergarden is that place.

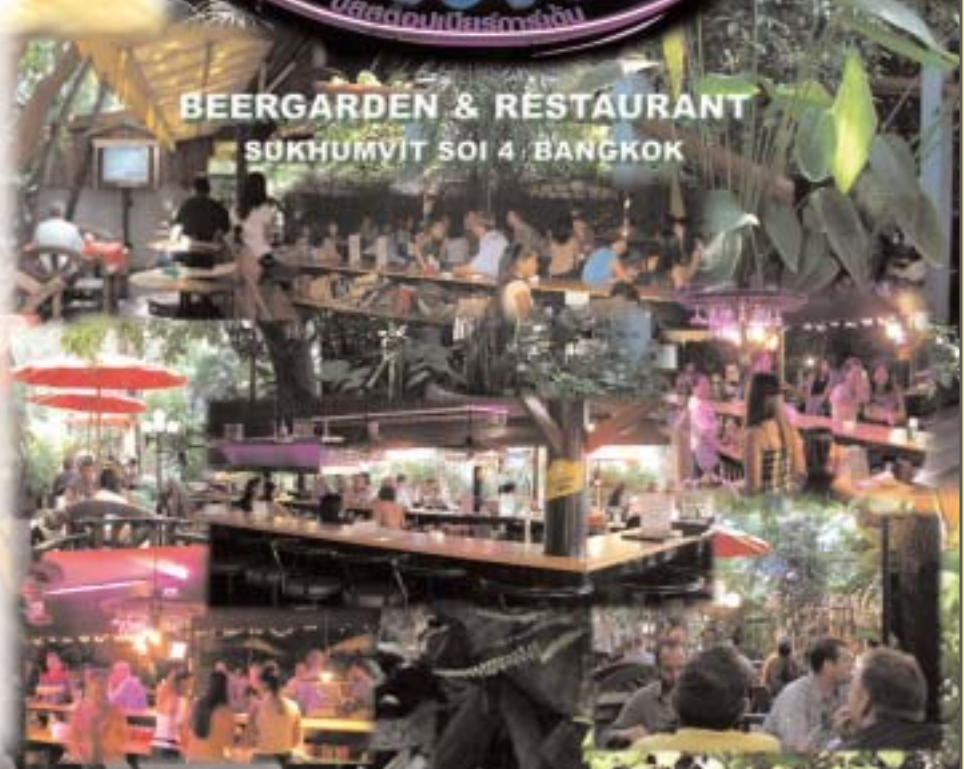

An extensive menu of Thai and International food awaits you.

And you don't have to miss out on current sporting events. Screens located around the garden keep you up-to-date on all the AFL, Rugby, Formula One and much much more...

Australian beers available: Fosters, VB, Crown.
