

What Your Currency Is Worth Against Other Currencies.

How to read table:

The Horizontal row gives the amount of another currency for the currencies listed down the left hand side.

eg; For \$1.00 Australian you will get **29.74** baht.

The Vertical columns give the value of another currency in your chosen currency. eg; 10 baht is worth **34** cents Australian.

Your Money - continued from Page 12

spell trouble for estate agents. Countrywide, Britain's largest firm, warned that as many as 10% of the UK's 11,000 estate agents could go out of business. And the National Association of Estate Agents says there is evidence of agents going out of business, though figures from the association - due out later this week - are likely to show a rise in activity levels so far this year.
