

Where Are we?

The top photo should be known to all who've been here a little

while, but we're not so sure whether many will recognise the one below.

Both were taken recently and if you can't guess where from, have a look at page 29 for the answers.

A Good Innings

One of Phuket's local identities passed away suddenly this past month. Justin Chapman left his native Western Australia a few years ago and was co-owner of

Lips beer bar in Soi Gonzo, Patong Beach.

While in Bangkok on business he suffered a heart attack and passed away. He was 62 years old. Most would say there are a lot worse ways to go. RIP.

as they say at STONEY MONDAY OASIS ...

just another day in paradise
