RED FLAG = DANGEROUS CONDITIONS

With the onset of the monsoon season, these flags have been put up at most beaches around the coast.

Many beaches have strong undertows that can put even experienced swimmers in jeopardy very quickly. There will be no-one to save you. There is also tsunami debris being uncovered and washed up on the beaches.

Motorcycle Helmets

Wearing a helmet when riding a motorbike is required by law in Thailand. As is an International license for the class of vehicle you are driving.

If you are renting a motorbike and plan to carry a pillion passenger make sure you get two helmets. (Rarely enforced)

It is also a requirement to have the headlight on while riding.
