The Black Rose Motorcycle Club celebrated their 2nd anniversary on the 19th and 20th August with a party at Fat Boy saloon on the 19th and managed to get approval for 20 big bikes to line up at the front of the Kangaroo Bar in Bangla Rd. on the 20th. For their 3rd anniversary the club

hopes to turn it into a mini bike week as well.

Speaking of Fat Boy Saloon, from the 8th October they hope to run a treasure hunt every two weeks or so. The idea is to initially (1st hunt) turn up at FBS, have a drink and collect a clue for the next bar you will need to go to.

At each bar you will be required to answer a question before another clue will be given. Prizes will be given at the end of the hunt at a BBQ put on by the designated bar for that hunt.

The entry fee will be about 200 baht for a team of two and you don't need a big bike to participate. In reality, a smaller bike is better around the streets here.

If any bars would like to join in contact Maria on 01 087 3048.
