Can You Give Me A Push - Continued from Page 9

Can't you remember about three months ago when we broke down and those two guys helped us?

He calls out into the dark, Hello, are you still there?

Yes, I am still here. Do you still need a push? calls out the husband.

I think you should help him, and you should be ashamed of yourself!

Yes, Please! Comes the reply from the dark.

The man does as he is told, gets dressed, and goes out into the pounding rain.

Where are you? asks the husband.

Over here on the swing! replies the drunk.
