

Property Investment in Ko Lanta Island is still very attractive and Inexpensive !

Today Ko Lanta Island is still the Sleepy Island in Southern Thailand, The white sandy beaches are beautiful and clean. The food is delicious, and it seems as though you are far away on a very quite private island. But, in reality

you are only minutes away from the Krabi International Airport. There are highways and ferries service to the island, there are ferry services from Krabi and Phi Phi Island and Phuket Island. You can hire a speed boat, or sail your own yacht over to the island as well.

The property there is still very inexpensive starting from 500,000 Baht up to 6 Million baht per Rai, pending on location and position. Can you remember the last time you could buy land on Phuket Island and Phi Phi Island at those prices? Beach Front, Sea Views, Mountain Views, and Downtown as well.

If you want to make a nice Investment but maybe you do not have a lot of extra cash to spend maybe you should look at Ko Lanta

Island, it truly is a Beautiful Island and has some very nice property for sale. Like every property in Thailand today there are large parcels of land and there are smaller parcels of land for sale, but, the locations are still available on the beach and sea view properties !

Ko Lanta has breathtaking sunsets and water views can be enjoyed from all over the island. This private island with deep water docks and piers easily accommodates a 100' Yacht, and automobile ferry boats for big trucks and cargo.

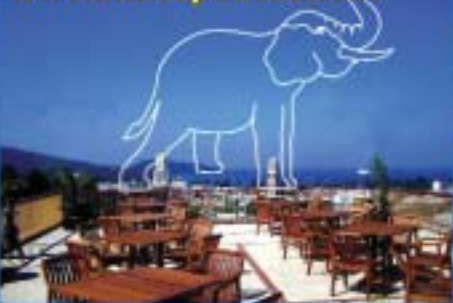

Ko Lanta has beautiful mountains, creeks, waterfalls, wilderness areas, wildlife, mountain streams, new roads and highways, and is building the infrastructure today preparing for the 5-star resorts and the luxury homes and villas that are in the planning and under construction today.

A slice of Paradise on Ko Lanta Island would be very nice for those of you who
