

Birthdays Abound - Neng (left) celebrated his birthday with family and friends at the Dragon Club this month.

George (left) did the same at the Boss bar on Nanai Rd. Nicky (right) turned up to help out with the celebrations.

Jungle Squad has come up with a new marketing idea whereby they are offering big discounts to get people out into the jungle to blow each other to bits (figuratively speaking of course).

They have approached a number of local bars and dropped off coupons to bring the cost right down. Available from over two dozen bars spread around Phuket it makes for a

cheaper alternative. If an hour or two running around the jungle doesn't appeal, have you ever thought of invading an island?

Rang Yai is south-east of Cape Yamu on the eastern side of Phuket. It is the location for this game. The concept of invading an island was dreamed up for corporations looking to do a bit of team building amongst staff. But what better thing can you tell friends than

that while on holiday you managed to invade an island in between going out to restaurants and lying on the sand. Coupons are available from the places listed below and many more; Aussie Bar, Two Black Sheep, Shakers, Montes, Legends, Dingos, Clarets, DD Swiss Resort, Winchester Club, The Yorkshire Inn, Scruffy Murphy's, Light Rock Café.
