

Motorcycle Helmets

Wearing a helmet when riding a motorbike is required by law in Thailand. As is an International license for the class of vehicle you are driving.

If you are renting a motorbike and plan to carry a pillion passenger make sure you get two helmets. (Rarely enforced but still a requirement)

It is also a requirement to have the headlight on while riding.

The early acoustic touch that John and Mickey put out is ideal with the newly knocked out wall that now allows the music to waft over the diners taking advantage of the seafood restaurants next door. John says that this attracts many after they have finished their meals to take a wander in and see what's happening.

Scotty, the other partner and also from Australia has been in

the pub game all of his life and has two very direct priorities, great service and quality food and beverages. But all those that come from Australia know, one of the most important things is an icy cold beer. Scott agrees with me that there is no substitute for that and reckons he should be in the Andaman Post's Top 5 for icy cold beer. Well, they are pretty close, a touch more daily consistency and it will happen.

So, whether you are looking for a great breakfast starter in the morning, an icy cold beer during the heat of the day or to be entertained by great sounds throughout the evening, then the Two Black Sheep can cater for those desires. The Two Black Sheep can be found at 172 Rat-U-Thit Rd., Patong Beach. It is north of Bangla Rd. and opposite the Paradise Complex. Tel: 076 344 799
