*Above:* In a very close finish DD Swiss Resort won the season for the Patong Fun Pool League.

*Above:* The Winchester Club came from behind to snatch the prize for best darts team in the Patong league

Aek (left) won the overall best player for the Tuesday Fun Pool League competition.

Anthony (Best Clarets player) and Darren from Clarets

Dao and Dominic tied for best Tatum Mansion players (Fun Pool League)

The season's competition in all leagues was very competitive, be it darts or pool, and generally played in good spirits. Many businesses have done it tough this past year

so it was great to see everyone taking the time to relax a bit at all the end of season windups.

The new season for Darts and Pool has

already started and for the Pool results you will find the updated version at [www.andamanpost.com/pool.html](http://www.andamanpost.com/pool.html) There is a link on the homepage too.
