

WINE CORNER

2002 Rosabrook Estate - "Slaughterhouse Block" Cabernet

A blend of Cabernet Sauvignon, Merlot and Cabernet Franc, the bouquet shows attractive small dark berry characters. These extend to the palate, and in harmony with the intensity of fruit is an elegance and refinement that is often seen in great Margaret River Cabernet. Gold Medal winner at the 2005 Qantas Wine Show of Western Australia.

2004 Rosabrook Estate - Semillon Sauvignon Blanc

The Margaret River Wine Region is one of the biggest in Australia. Despite its size it produces just 3 percent of the nation's grapes, but it is responsible for more than 20 percent of the nation's premium wines. Today, over 90 vineyards now call Margaret River home.

Established over 25 years ago, Rosabrook Estate has a long history of producing some of the area's finest wines. The grapes are all estate grown and vinification is done on site in a modern state of the art winemaking facility under the careful supervision of renowned winemaker, Bill Crappsley.

Partial barrel fermentation of the Semillon has created a wine with the aromatics and lift of Margaret River Sauvignon Blanc and the citric tang of the Semillon.

A wine with great texture and depth. Can be enjoyed on its own or with a range of food.

2005 Petalon "Seduction" - Classic Dry White

Rosabrook's Petalon ranges, all named for varieties of Rose's, are all young, ready to drink wines of intense flavour. "Seduction" being unique for a white wine with its Cabernet Sauvignon / Shiraz varietals. With no oak to mask the flavours, the fruit is practically bursting on the palate. With a bit of gentle sweetness balanced with cleansing acidity, this wine works well with spicy Thai dishes.
