The girls from the Offshore Bar took out this seasons championship in a closely fought final game that could have seen any one of three teams get up and win. But they managed to take the three points to tie up the overall win.

In the Patong Pool League Amigo's are now ahead of the pack after 12 games. There are still a few games outstanding that are being played as this goes to print.. For updated result including individual standings go to www.andamanpost.com/Pool.html

Phuket Kart held their annual championship on Songkran day (for an alternative to getting drenched all day) and the classes from left below: **(100cc)** 1. Mathias Persson, 2.'Sa' Clark, 3.Bigott: **(125cc)** 1. Peter Clark, 2. Dino Sellar, 3. Richard: **(4 Stroke)** 1. "Anan", 2. Mads (age 6), 3. Michael.
A big turnout guaranteed a successful day and in the late afternoon everyone still had a chance to go and get soaked.
