

This letter was sent to the principal's office after an elementary school had sponsored a luncheon for the elderly. An old lady had received a new radio at the lunch as a door prize and was writing to say thank you. This story is a credit to all human kind.

Dear Faculty and Students:

God bless you for the beautiful radio I won at your recent senior citizens' luncheon. I am 84 years old and live at an Assisted Home for the Aged. All of my family has passed away. I am all alone now and it's nice to know someone is thinking of me.

God bless you for your kindness to an old forgotten lady.
