

## Motorcycle Helmets

Wearing a helmet when riding a motorbike is required by law in Thailand. As is an International license for the class of vehicle you are driving.

If you are renting a motorbike and plan to carry a pillion passenger make sure you get two helmets. (Rarely enforced but still a requirement)

It is also a requirement to have the headlight on while riding.

## Phone Number Changes

### 10 Digit Mobile Phone Numbers

Thailand has changed from 9-digit to 10-digit mobile telephone system as of September 1.

According to the National Telecommunications Commission (NTC) the 10-digit system will be fully operational by December 1st. After that if you dial a 9-digit number it will not be connected.

Users of all mobile telephone systems will now have to dial the prefix 08. For example; The number 01-123-4567 will be changed to 081-123-4567 and the new number of 09-123-4567 will be 089-123-4567.
