TOP Places to Chill Out

Friendship Beach - Chalong

Between Chalong and Rawai, this place is perfect for an afternoon. It has plenty of room and a pool you can use if you use their bar or restaurant services. Perched right on the waters edge, you can gaze at the islands in the bay or watch a jazz session on Sunday afternoons.

Paradise Beach - Patong

A quiet little family run bay at the south end of Patong bay. It is now accessible by car or bike and despite their 10% service charge on everything is still a great place to get away from it all.

Surin Beach - Surin

Our pick for watching the sunset. Sit at Divers bar overlooking the beach and you'll end up running into half of the Surin locals doing the same thing.

Small View / After Beach - Kata

These two located next door to each other are on the hill behind Kata Noi and have reggae music wafting through the air as you balance precariously on the hillside.

Kathu Waterfall - Kathu

The largest cascade on the island. Take the turn before the Loch Palm Golf Course turnoff in Kathu. Quiet and peaceful and if it does get a little warm you can always dip your toes in the numerous waterholes that follow the cascade down the hillside.
