The Patong Darts League ended their season with a party at the Queen Mary Bar and Restaurant in Patong. The Queen Mary team (pictured far right) were this season's competition winners for the second time in a row.

The wooden spooners this season were the team from Simply Red. Liam (pictured right) had the dubious distinction of accepting the award.

The Monday 'Fun' League has been won by the Offshore Bar (pictured right) after sealing the position on the last game of the season. The subsequent party held at the Offshore Bar saw Mike (below) being awarded the Best Player overall trophy by Paul and although the Thunder Bar team only finished 3rd, 'Oh' (pictured left) makes a much better visual treat and so gets an inclusion here.
