

Where Are We?

The photo right was taken at Laem Nan between Lamai and Chaweng on Koh Samui. In 1980 there was no road around the island (it was being built but not completed). During construction this dugout at 25 baht per day was the only way to get from Lamai to Chaweng.

The one below is the main town on Samui, Nathon, taken at 6 am.

If you have any old photos that we can use for 'Where Are We?' we would love to see them. Preferably taken around Phuket so we can do a 'then and now' photo.

You will be duly credited and we would only need the photo for scanning.

Phone us at 076 292 062 if you can help.
